Two decades ago, the American Cinematheque, in association with the Spanish Ministry of Culture, began importing the best and brightest of Spanish cinema to Hollywood with its "Recent Spanish Cinema" film series. The annual festival has exposed countless Angelenos to Spanish culture, from art and music to food, fashion and more. Join us for this year's picks, from multiple Goya Award winners to box office hits featuring Spain's most distinguished talent (including a show-stealing Boxer dog).
